

Freshmen Acknowledgment and Agreement for Summer Activities and Fall Tryouts

Acknowledgment of Participation and Tryout Process

1. The Student understands that purchasing summer gear, attending camp, participating in summer practices, and engaging in outside training (such as tumbling and skill enhancement) are encouraged but do not guarantee placement on the team in the fall.
2. The Student acknowledges that final team selections will be made during the official fall tryouts and that participation in summer activities does not secure a position on the team.
3. The Student understands that all decisions regarding team selection are made by the coaching staff and are based on skill, performance, attitude, teamwork, and other criteria deemed necessary by the Organization.

No Refund Policy The Student and Parent/Guardian acknowledge that any fees paid for summer gear, camp, training, or other related activities are non-refundable, regardless of whether the Student makes the team in the fall.

Agreement to Terms By signing this agreement, the Student and Parent/Guardian acknowledge that they have read, understood, and agreed to the terms outlined above. The Student accepts the possibility that cuts may occur in the fall, regardless of summer participation, and that final team selection is at the discretion of the coaching staff.
